

Willie Brown Escapes From Hospital And Swears He Will Kill Mayor Hamilton on Sight

NO MORE DOWN IN THE MOUTH SENTIMENT

[By Telegraph to The Age]

New York, July 13.—The determination of a large number of stock market participants to throw off a waiting attitude and to act on their conviction that better things are in prospect for business and industry was very clearly reflected in the security market here last week. In contrast with the absolute stagnation into which the market had fallen by the close of the preceding week, there sprang up a degree of animation not equalled before since the early period of June, the average daily transactions rising well over 500,000 shares. There was expansion also in the bond division and a broadening of demand in that department which was most encouraging to sentiment. The assurances of abundant supplies of banking resources throughout the year, the promise of crop yields above the average for recent years, and the approaching termination of the sessions of the Democratic national convention were the main factors in stimulating the new speculative departure.

The spirit of uncertainty and the consequent halt in business activity have been so much a matter of course in years of national political campaigns that progress towards eliminating the uncertainties are of recognized candidates of the two great political parties and the defining of the issues on which the campaign is to be fought were accepted as steps toward knowledge on which to base the estimate of the outcome, and were acted upon in this light.

The piling up of loanable funds in banking reserves and the resultant pressure to find profitable employment for these sums have an almost infallible effect in opening up a demand for well-secured bonds and dividend-paying stocks.

Great importance is attached to the symptoms of reviving trade. The most striking of these were reported from the steel trade, where resumption on a large scale of operations in the steel mills in the Pittsburgh district were chronicled, with renewal of employment for thousands of laborers who had been idle and without pay for several months. Special significance was attached to the large proportion of the new orders for steel which were received from the agricultural implement makers as indicating well informed opinion on the prosperous conditions of the farming community and the good promise for the year's crops. Hopes for the crops were fostered by the government report on the grain crop. The satisfactory cotton report of the previous week completes the data on which the assumption is founded of the continued prosperity of agriculture.

Railroad earnings do not yet show improvement. The American Railway association, however, has reported a further decrease of 36,696 in the number of freight cars idle in the two weeks ending June 24, making a total reduction of over 100,000 cars from the greatest idle equipment of April 29. Railroads in the northwest are reported to be calling in their freight equipment from foreign lines in preparation for a large traffic movement when the crops move. In various minor lines of industry come evidences of reviving demand and preparations for increased production to meet it.

Another Contest at Meek Co.

There is a buzz of excitement around the offices of the Meek Co. today because Charles A. Davids of Chicago and H. A. Ferreira of Philadelphia are "choosing up sides." The sales department of the company has announced a new contest to start Aug. 3 and end the week before the annual convention of the sales force held in December. A handsome gold watch will be given the leader whose side wins the most points and fine prizes will be awarded each man of the winning side. Messrs. Davids and Ferreira arrived here Sunday and will have their armies selected this evening.

LIGHTNING DOES VAST AMOUNT OF DAMAGE

Sunday's rain and wind storm, together with the electrical display, created considerable havoc over the city and county. Rain fell in torrents and there was some hail.

In this city the worst damage was to the gospel tent of Rev. I. B. Dillin on Pine street. The tent was lifted and torn asunder, and it was necessary to hold services in the Christian Union church. Over the city many trees were broken by the winds.

The greatest damage is reported from Fresno where lightning did awful work.

A barn belonging to David Garber, east of the village, was struck and destroyed by fire. It was a fine large barn and with it were also burned a large number of valuable farm implements, 300 bushels of new wheat, new hay off of 30 acres, several tons of old hay, 100 bushels of old wheat and other grain. The horses and vehicles were rescued. There was \$500 insurance on the barn and \$200 on contents but this does not begin to cover the loss.

A barn on the farm of Lee Shaw, south of Fresno, and which was filled with hay was totally destroyed. No insurance.

The dwelling-house of Elmer David, a mile south of Fresno was struck by lightning, a chimney shattered and the house filled with dust and debris. Mr. and Mrs. David and a young lady guest had just moved from the room when the bolt struck. None were hurt.

Several sheep that had taken refuge under a tree on the farm of Frank McCullough were killed when the tree was hit by lightning. Several cattle are also reported killed on farms west of Fresno.

At Warsaw the gospel tent of the M. E. church where services by Evangelist Ellis were to start tonight, was blown down and badly torn. Two young sons of Adam Strome were in it when it went down but were not hurt. The wind picked up a swing on the porch of William Willis's residence and carried it out into the yard. A chimney on the M. E. church was blown down, and over the village several trees were broken.

A report from Warsaw this afternoon says that part of the steeple of the M. E. church was broken off by the storm.

Ira Barrett's barn was struck near Nellie and damaged somewhat. It was insured in the Ohio Farmers'.

A stack of hay belonging to Darling brothers near Warsaw was ignited by the electricity and burned to the ground.

A spring colt belonging to Jas. Dugan who lives a mile west of Keene was struck by lightning Sunday afternoon and killed.

The colt was a fine animal and is considerable loss.

George Mohler of Conal Lewisville lost a valuable cow by lightning during the storm Sunday afternoon. The animal was struck in the field where it was being pastured. Mr. Mohler valued it at \$65.

Mr. Mohler is the father of the Misses Edna and Maud Mohler who are among the efficient corps of teachers employed in the Coshocton public schools.

COUNTY PAYS ELKS \$250 FOR USE OF ROOMS

The Elks will meet tonight. There will be initiation and as this will probably be the only meeting this month all the members are urged to be present. One candidate is to be voted upon and if elected he will be initiated and he will leave at once to attend the big convention at Dallas, Texas this week. A luncheon and social session will follow the initiation. The county commissioners have paid the Elks \$250 for the use of the lodge rooms for holding court last winter while the courthouse was being remodeled. The order was drawn on the county treasury by Auditor Randes Monday morning.

How Hearst's Democratic Papers Make Fun of Bryan

This cartoon has been published in the Hearst newspapers and is reprinted not so much for its merit as showing that the Hearst papers are out against Bryan. In fact the Hearst papers have editorially said that they have "lost faith in both Mr. Bryan and the Democratic party." With Hearst against him there is little chance of Bryan carrying New York state.

Young Son of Prof. Lyons Dies From Attack of The Dread Lock Jaw

SUNDAY WAS THE WARMEST DAY OF THE LAST YEAR

Sunday was the warmest day of the year, and no one in Coshocton doubts the assertion.

According to the records of Weather Forecaster Thos. Page, the mercury reached 96 Sunday from the hours of 9 to 11. The thunderstorm cooled the atmosphere perceptibly. Although Mr. Page Saturday morning had announced thunder storms for Monday, he says he knew when he got home Saturday afternoon that the storm would come sooner than he had prophesied because of the unusual heat Saturday afternoon, the mercury going to 95 between the hours of 3 and 4 o'clock.

This is the hottest weather of the year, the previous record being 93 the last day of June. Mr. Page says to expect showers this afternoon and evening with perhaps fair weather Tuesday.

BOTT MAY BE HELD FOR PLURAL MARRIAGES

Egamy charges may be filed against Charles Bott of Apple Creek, as a result of his alleged marriage to Mrs. Clara Stewart, of Bakersville, after abandoning his first wife without a divorce.

It is reported to The Age today that Bott was married to Mrs. Clara Stewart at Covington, Ky., by a Baptist minister soon after they disappeared from Bakersville.

Mrs. Charles Mizer, of East Chestnut street, is a sister of wife No. two. W. A. Mizer, of this city, received a letter from his cousin at Callao, Missouri, stating that Bott

and his second bride had been there and that wife No. two displayed her marriage certificate. They left Callao a week ago last Wednesday for Macon, Mo., and came on to Navarre where they separated. Wife No. two went back with her mother north of Bakersville and Mr. Bott went to Wayne county to straighten out matters there.

Wife No. one left Coshocton Sunday for Bakersville, it is said, to recover some of her jewelry from wife No. two. If the authorities at Covington learn the second marriage was illegal Bott may be indicted for bigamy. It is said he played the part of a single man to win Mrs. Stewart.

Ross Lyons, aged 7 years, died in the midst of a spasm caused from lock-jaw, at his home in New Castle Saturday evening at 9:30 o'clock as the result of an injury received two weeks ago last Friday while he was helping to put hay into a mow by means of a hay-fork. His hand was jerked into the pulley and the ball of his thumb was torn out making an ugly wound.

Spasms Shook Little Frame. On the day of his death the poor boy had a spasm every five or ten minutes. From Saturday noon until death relieved his suffering at 9:30 Saturday night, he had about 100 spasms. During the few minutes interim he would recover consciousness. The anti-toxin treatment which was begun Friday did not seem to check the disease and his jaws continued to lock like a vice.

All Aids Given. Saturday noon, Miss Williams, a trained nurse from Grant hospital, Columbus, arrived, as his condition was known to be very critical. Everything possible was done for the boy but death had marked him for her own.

Funeral Monday. Ross Lyons was born at West Carlisle and lived there until three years ago when his father became superintendent of the New Castle schools. Besides his parents, there are two brothers surviving, Russell and John. The funeral services were conducted by Rev. Shook, of West Bedford, at the M. E. church at West Carlisle Monday afternoon. The corpse left the house at 11 o'clock.

New Thresher. Messrs. Hahn, Young and Deibel of Fresno have just received a new threshing machine from Altman and Taylor of Mansfield; the machine has all the modern improvements and is all ready for use.

WARNING IS SENT FROM AN ATTEND'NT

Epileptic Boy is Crazy Enough to Carry Out His Awful Threat

Willie Brown has escaped from the Epileptic hospital at Gallipolis and is headed for Coshocton with the express purpose of killing Mayor Hamilton.

The mayor received this cheering intelligence this afternoon in a message from Edwin W. Knight, an attendant.

The message states that Brown escaped from the hospital Saturday night. He had told some of the patients that he was going to get away and go back to Coshocton and kill the mayor. The physician in charge of Brown had been warned that he was not safe but he ordered him let roam at large in the grounds. At first they had had him locked up.

The letter goes on to say: "If he comes back put him in jail and notify Dr. Pritthead and he will send a man after him. I would be on my guard if I were you."

Brown is "off" and it would not be surprising if he would attack Mayor Hamilton. He has been a menace to the community for years and was only recently sent to the asylum, it will be remembered, after his murderous assault on Smith in front of Timmons' grocery. Mayor Hamilton is on the lookout; although Brown left Gallipolis Saturday night and is coming on foot, his arrival is not expected for several days.

W. R. Pomerene Goes to Europe

W. R. Pomerene leaves Columbus tonight for Buffalo and thence to Toronto and Montreal, Canada, where he takes depositions and he leaves Montreal on the Steamship Victoria of the Allan line for Glasgow, Scotland. He goes on business for the Schoepf syndicate for which he is general counsel, and also goes to Liverpool and London. He will combine pleasure with business and does not expect to sail for America till Aug. 29—a delightful trip at delightful time of year.

LIGHTS ON BIKES URGED ON COUNCIL

Mayor Hamilton will ask the city council at the meeting tomorrow night to pass an ordinance requiring a lamp to be carried on all bicycles which are ridden after dark. There was formerly an ordinance covering this subject but it was repealed a few years ago.

In an interview Monday morning Mayor Hamilton also called attention to the fact that the new law governing automobiles requires all motorists, bicycle riders etc., to give two-thirds of the road when passing a horse and buggy or wagon.

There will be several other matters to occupy the attention of the council tomorrow night, including the Third street paving ordinance and the ordinance issuing \$5,000 worth of bonds to pay for this improvement, the assessing ordinance for the Fifteenth street sewer and an ordinance increasing the salary of the humane officer.

The beauty of the council chamber has been greatly enhanced by Samuel Wilcox and son Clifford. A new linoleum is being laid.

Shipped Stock. Messrs. McFarland and J. G. Karr each shipped a load of cattle east Saturday.

The Man of the Hour

By Albert Payson Terhune

Continued from last issue

"But I'm sure that Mrs. Newman!"

"To blazes with Mrs. Newman! Now

listen to me. Go to Bennett and do

what you can to make him keep his

hands off our Borough bill. If he's

difficult offer him, in my name, the

nomination for governor next year. If

you can get him—well, there's a vacancy

next year in the supreme court and"

"I'll do what I can," assented the

judge. "I'm sure you are right, Mr.

Horrigan, even if your way of putting

matters is just a little rugged. I'll see

Mr. Bennett tonight and use all the

persuasion in my power. I'm quite

sure civic welfare will be best served

if he will cease his unseemly opposition

to the Borough bill. Thank you, Mr.

Horrigan. I'm very sure that Mrs.

Newman—"

"I'm sure, too," cut in Horrigan. "Now

run on. We're busy. Remember, now—

the very next supreme court vacancy"

"Do you really think he has any in-

fluence with Bennett?" asked Wain-

wright as the judge vanished.

"Can't do any harm to try. They're

neighbors in the country and in the

same crowd in society and all that. If

it fails, I've another card that's even

stronger. Roberts ought to be here by

now. You found out about those notes

of his?"

"Yes; both of them. One for \$7,000,

one for \$15,000. Both secured by

mortgaging his factory. Roberts can't

meet them. They've been extended

twice, though the security must have

been fairly good or the Sturtevant

Trust company wouldn't have lent"

"Williams said you wanted to speak

to me, Mr. Horrigan," said a nervous

voice from the door, and a pale, middle

aged man came forward. He wore

worry's stamp between his perplexed

eyes, and care had bent his narrow

shoulders.

"Yes. Good evening, Roberts," re-

plied Horrigan cordially. "See you

later, Wainwright."

The financier took the hint and walked

toward the ballroom, on his way out

nearly colliding with Phelan, who was

entering the foyer. At sight of Horrigan

and Roberts together Phelan's

eyebrows went upward, with a jerk,

and he tiptoed out in the opposite di-

rection as fast as his stout legs could

carry him in search of Bennett. Mean-

time Horrigan had come directly to the

point, as usual, in his appeal to Rob-

erts.

"Look here, alderman," said he,

"you've been trying for years to get

through a park bill for your ward.

Still want it?"

"Yes," returned Roberts. "My con-

stituents are at me all the time about

that park. They—"

"It would make your ward's property

values go up 50 per cent, and it would

make you sold there forever, hey?"

"Yes, but—"

"Introduce that bill again, and I'll

guarantee it will go through."

"Are you in earnest?"

"There's my hand on it. Only, of

course, it's understood that your park

bill won't come up until after the Bor-

ough Street railway franchise is pass-

ed. Understand?"

"I'm afraid I do," said Roberts after

a pause, "but I voted against that bill,

and"

"You voted against the bill in its

original form," Horrigan interrupted

reassuringly, "and you were right, too.

It had a lot of clauses that you thought

weren't square. But all those have

been cut out."

"But I still—"

"But you'll be doing what's best for

your own constituents by looking after

their interests in the matter of the

park. You'll be their hero for that. Of

course if I wanted to put it another

way I could remind you that your

business is in a bad way and that a

friend of mine has bought up your

notes at the Sturtevant Trust company

and means to send them to you tomor-

row. But that has nothing to do with

the case. So I just—"

"I'm honest, Mr. Horrigan," faltered

Roberts. "I"—

"Sure you're honest! That's why

you'll have the courage to vote for the

bill when you see it's been amended

so as to be a good thing for the city.

"That's being honest, isn't it?"

"I—I suppose so. And the notes—

the—"

"They'll be sent you by registered

mail tomorrow if you want them. Do

you?"

"I—yes. That is, I—"

"That's settled, then. You've got a

level head. Good night."

The boss strode out, a grim smile of

victory on his big face, leaving Rob-

erts standing confused, doubtful, his

brain awestruck. How long the tempted

alderman stood thus—oblivious to the

music, his surroundings and all else—

he could never remember, but a voice

at his elbow brought him to his senses

with a start that was followed by a

thrill of fear as he wheeled and recog-

nized the speaker.

Cattle—Number compared with an average 93 per cent.

Deal Gently with the Bowels—Don't be Harsh

Some people say, "Cascarets are too gentle. I need a strong physic." The trouble is this: They have taken harsh physic until their bowels are calloused.

Nature has caused the bowel linings to harden—to resist the attacks of harsh pills.

And the bowels fail in their natural functions while that hardness exists.

In such cases, take Cascarets oftener—one tablet night and morning.

Cascarets won't irritate. They are as gentle and natural as a laxative food.

Soon the bowel lining grows soft again, and begins to resume its functions.

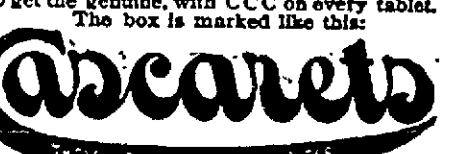

Then one Cascaret a day is enough; and a little later you need none.

For Cascarets cure the bowels. They bring back the natural action. They heal what physics destroy.

No harsher laxative can be used without injury, and none is ever necessary.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure to get the genuine, with CCC on every tablet.

The box is marked like this:

The vest-pocket box is 10 cents. The month-treatment box 50 cents. 12,000,000 boxes sold annually.

Let Us Pay for Some Summer Breakfasts

These are Mapl-Flake days—days for a food that doesn't make heat. Please don't go without it. To show you its goodness, we'll pay for the breakfasts next week.

We spend 96 hours to prepare Mapl-Flake, yet flaked foods can be made in one-fourth of that time.

Our wheat is steam-cooked for six hours—cooked in pure maple syrup. Then it is cured for days.

Then each separate berry is flaked as thin as paper, so the full heat of our ovens can penetrate.

Then those thin flakes are toasted 30 minutes in a heat of 400 degrees.

That long process is necessary to perfect digestion. Every food expert knows this.

The particles must be separated, by heat and by cooking, so the digestive juices can get to them.

Otherwise half of the food is wasted. It ferments and irritates the stomach lining.

Even more economy demands Mapl-Flake—the one food that's all food—the food that will all digest.

To make the best food most delicious, we cook the wheat in pure maple syrup.

We do this to make the flavor enticing, so children will want it. You don't need to urge them to eat it.

If you serve them afterward an inferior food, they'll urge you back to this.

It is well to have it so. For no other cereal—none of the fad foods—is half so good for children as this perfect wheat.

In these hot days, when meat is too heating, Mapl-Flake is most important.

It is the ideal food for summer. It gives the maximum of nourishment, and produces the minimum heat.

Comfort and health demand it. Every summer breakfast should consist solely of Mapl-Flake and fruit. A good way to serve them is to mix them together.

One Package Free

We want you to try this ideal food, if only for the children's sake. Try it at our expense.

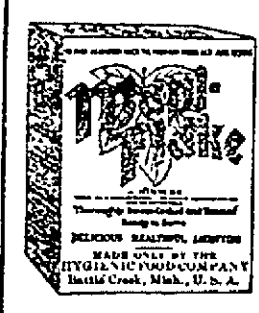

Compare it with fad foods, if you have used them. Judge for yourself which is best.

Ask your children their opinions. They are the ones to please.

Please send us this coupon—now before you forget it. We will then send you an order, good at your grocer's, for a full-size package free. Then let this perfect food, on your table, argue for itself.

Cut Out This Coupon

and mail it to the Hygienic Food Co., Battle Creek, Mich.

I have never used Mapl-Flake, but if you will send me an order on my grocer for a 15c package free, I shall be glad to try it.

THE CHILDREN'S HOME.

The county board of visitors has reported in favor of leaving the orphan children of this county at the home near Canal Dover. The board is composed of representative men and women of Coshocton county and their opinion carries weight with it. The scandal caused by the tack episode at the Canal Dover home last winter was thoroughly investigated by the Coshocton board and while the actions of the attendant are not at all defended yet that one act should not besmear the whole institution and all its years of good records. The management of the home wants to retain all the children it has and to get more, and after thorough investigation the board has decided that the home is a proper place for Coshocton children and that they are being well treated. The community is satisfied with their report for it has faith in the personnel of the board.

A GOOD SIGN

"Freight is picking up" was the headline of a news item in a recent issue of The Age that is indicative of the times. In fact as it was stated in these columns a few days ago, business conditions are improving, and have been ever since Mr. Taft was nominated at Chicago. It does not come with a rush, but it is steady and sure. The railroads are feeling it as attested by the item referred to; factories are feeling it, as attested by another recent news item in this paper to the effect that the Raiff-Spellacy enamel plant is working night and day and advertising for additional help. The public has confidence in William Howard Taft and his ability to sit at the helm of state; the people have confidence in his judgment as well as his ability to execute. He thinks right; and that is one of the most potent reasons for the return of national prosperity, in spite of the contradictions of the Democratic press, who hate to admit that good times are returning.

Lewis Nixon, a former Tammany leader, cables from London that the Democrats should have no difficulty in carrying the country. Mr. Nixon has had dreams of that kind every four years and it would be a shame to wake him up before November.

"I must refuse to discuss subjects and issues of which I know nothing," says John Mitchell the great labor leader. It would help a good deal if some politicians would

follow Mr. Mitchell's example in that respect.

Surface indications to the contrary, notwithstanding Zero Snow, who was a delegate to the Chicago convention is one of the warmest Republicans on the Pacific coast.

Colonel Bryan strews a few verbal flowers on the bier of Grover Cleveland and doubtless wishes he could withdraw a lot of the opprobrious names he used to call him.

Help for Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good she continued to use them and they have done for her more good than all of the medicine I bought before—Samuel Boyer, Folsom, Iowa. This medicine is for sale by C. E. Anderson, Drug and Book Store, Coshocton, and C. M. Ferguson, Roscoe.

Dies as Result of Auto Crash

George Caton has gone to Cleveland to attend the funeral of Mr. Baine, a late fellow member of Mr. Caton's of the Board of Trustees of the National Union. Mr. Baine was injured in an automobile accident last week and although he was taken immediately to a hospital and everything possible done for him, the injuries proved fatal.

A Boy's Holidays.

The ardent controversy which has been waging in England and America concerning the best way to dispose of school boys in the long summer vacation has prompted the Grand Trunk Railway System to issue a special publication giving suggestions and practical hints to parents as to what to do with the public and preparatory school boy during the months of July and August. The vacation camp is one of the solutions and the publication entitled, "What shall a Boy do with his Vacation?" thoroughly covers the ground and solves the problem of the best way for a schoolboy to enjoy his holidays.

W. H. Frederick, the Warsaw potato grower, delivered his first lot of potatoes in Coshocton Saturday. He reports that he will have about 1,000 bushels by fall.

CAT HARKENS NOT TO THE GAME LAWS

W. H. Frederick, of Warsaw, has some puzzling questions to put to the game warden. Said he to The Age Saturday "we can't kill rabbits until a certain time of the year and yet one of my neighbors has a cat that brings in two or three rabbits a day. What shall he do with the cat? If the law allows that cat to kill the rabbits, why can't we buy the cat and let it keep us in meat? It brings them in in better shape than if they were killed by a shot gun."

CARD OF THANKS.
We wish to express our heartfelt thanks to our neighbors and friends for their kindness and sympathy during our recent bereavement caused by the death of our son, John James. Mr. and Mrs. Thomas James and family.

You Could Use A Horse.

But a train is quicker, cheaper and more comfortable.

It is possible to make the trip from New York to Washington with a horse and buggy; but a train is quicker, cheaper and more comfortable.

Likewise, it is entirely possible to wash clothes with ordinary laundry soap, but P. & G. Naphtha Soap is quicker, cheaper and very much easier.

P. & G. Naphtha is the modern soap. It is as much better than ordinary laundry soap as a "Limited" train is better than a horse and buggy.

P. & G. Naphtha Soap saves time; and time is money. It saves fuel; and fuel costs money.

The woman who does her own work owes it to herself, to try P. & G. Naphtha Soap. If, by using it, she is able to get through her washing an hour sooner than it now takes, it will have paid for itself four or five times over. It will do that—and MORE.

SOCIAL CALENDAR

MONDAY

Two districts of Grace church meets tonight; district six with Mrs. S. O. Riggs; district one and two with Mrs. J. J. Wood.

Delta Alpha Cass has an important business meeting at the Church of Christ.

The Busy Bees meet with Mrs. Burgess Norris.

TUESDAY

The Stitchery meets with Mrs. Charles Lamberson.

Took Supper At The Hanlon Farm.
Miss Grace Hanks, Mr. and Mrs. Russell Hanlon, Mr. and Mrs. Chester Smith, Mr. Glenn Smith and Mr. and Mrs. Ed. Compton drove to the Hanlon farm near Canal Lewisville Sunday evening and enjoyed a beautiful supper.

Sang At The Presbyterian Church.
Prof. McMichael of Keen sang the offertory solo at the Presbyterian church Sunday morning his selection being "My Hope is in the Everlasting." He also sang at the union service held last night at Grace church.

Sunday Guests At The Park Hotel.
Among those who enjoyed the dinner at the Park hotel Sunday were: Mr. and Mrs. Robert S. Thompson, Mr. and Mrs. R. N. Barnes, Mr. and Mrs. M. D. Vail, E. C. Dehart, Mr. and Mrs. Frank Gregor and Mrs. Bunn, Dr. and Mrs. Goodhart and Miss Charlotte Burrows, Miss Emma Lee and Miss Fannie Barger, of Columbus.

Sang At The Church of Christ.
A pleasing departure from the usual order of service at the Church of Christ Sunday evening was the solo to beautiful fully sung by Miss Edna Drummond to the accompaniment played by her sister Miss Helen, on the violin. Both of these talented young musicians formerly lived in Coshocton but are now making their home in Oberlin and studying at the conservatory there.

Entertained Saturday Evening.
Miss Joyce Lower entertained the following friends in a very delightful manner Saturday evening at her home on Walnut street: Miss Hazel Richer, Miss Mary Gray, Miss Irene Myser, Miss Zulu Marshall, Miss Jessie Conrad, Charles Sullivan, Alfred Marzess, Junius Beebe, Warner Pomerene.

Party Given Near Keene.
Miss Neve Shannon entertained about forty-five friends at her home near Keene Friday evening in honor

Rheumatism

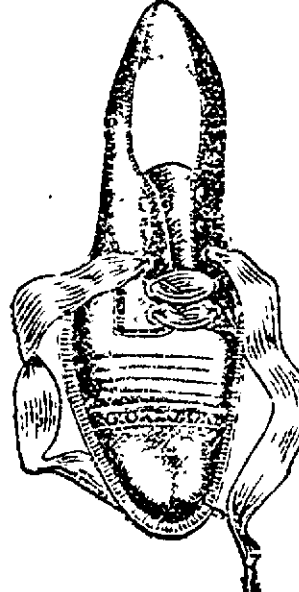

I have found a tried and tested cure for Rheumatism! Not a remedy that will strengthen the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many cases of Rheumatism; but now, at last, I can furnish cures of this heretofore much dreaded disease. These sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Dr. Shoop's Rheumatic Remedy

of her guest Miss Edna Orr of Illinois. Musical selections given by Miss Nell Whittemore, Miss Hazel Clarke, Miss Nellie McCormick, Miss Katherine Porter and others added much to the pleasure of the occasion. Delicious ice cream and cake were served during the evening.

Entertained Sunday.
The following friends were beautifully entertained on Sunday at the hospitable home of Henry Hahn near Fresno: Mr. and Mrs. George Nietzsche and son of Cleveland, Mr. and Mrs. George Mahle, Mr. and Mrs. Howard Mahle and Rolly Mahle of West Bedford, Miss Lizzie Stein of Fresno, Miss Minnie Deible of Bakersville, Elmer Deible of Fresno, Henry Maurer of Platt, Mr. and Mrs. Charles Maurer and family of Fresno.

Wet Day In Camp.
The rain which fell in such torrents Sunday afternoon played havoc with the W. A. H. B. camp over on Orchard Heights but if the girls' belongings were slightly dampened their ardor did not suffer in the least from the deluge and today they are just as busy as ever having the time of their lives. The tents they are occupying are well constructed ones and consequently well able to weather an even harder storm than the one which raged for a short time Sunday.

Entertained Friday Evening.
Mr. and Mrs. A. C. McClintock entertained a number of friends Friday evening in honor of their son and daughter in law, Mr. and Mrs. Verne McClintock of Sebring, Ohio. The other guests included Dr. and Mrs. C. N. Neldon, Mr. and Mrs. Howard Shrigley and daughter, Mr. and Mrs. Adolph Zill, Mr. and Mrs. Ed Eckert, L. G. Graves of Massillon, Hervey Bible, Mrs. Carrie Condrin of Pittsburgh, Miss Clara Miller, Cooling refreshments were served.

Minister's Wife Takes Her Life

UHRICHSVILLE, O., July 13.—Mrs. Oscar Gregg, wife of the Presbyterian minister at Deersville, committed suicide by hanging to a tree in the yard. Her mind was unbalanced since the death of her twin babies three months ago.

Injured in Runaway.
Lemuel Lawrence, aged 23, was hurt in his leg Saturday while climbing out of his buggy at New Cassile. He became so weak from loss of blood that he was forced to lie out all night and was found Sunday morning by an employee. One leg was crushed against the wheel but no serious results are anticipated.

CARD OF THANKS.
We desire to thank our neighbors and friends and especially the Sunday school teacher and class for their kind assistance and sympathy at the death of our beloved daughter, Goldie Waneta.

THE STAGE

The Electric.

An unusually strong bill is looked to start tonight at this popular play house. The clever Newton & Dyal, trick jugglers will do some spectacular stunts. Mr. and Mrs. Stewart Hayes will bring a new illustrated song "In the Twi-Twilight" and the films of the new pictures that will be flashed to night are said to be the best that ever came down the pike. Go early to get a good seat.

Two Drowned in Canal.

Cleveland, O., July 13.—August Hammer, 20, and Henry Rodku, 22, were drowned in the Ohio canal here while bathing. Rodku was taken with cramps. Hammer attempted to rescue him. Clashed in each others arms they drowned together.

Akron Man Ends Troubles.

Akron, O., July 13.—Lewis E. Seiberling, a harness dealer and member of a prominent family, hanged himself in his shop, where he was discovered by his nephew. He brooded over the decline of his business and the death of his wife.

Engineer Severely Burned.

Dayton, O., July 13.—In an explosion of a steam boiler at a furniture factory here Ambrose Baker, the engineer, was severely burned. Considerable property damage was done. The cause of the explosion is unknown.

Mother Rescues Baby.

Bucyrus, O., July 13.—Mrs. Vincent Kintz saw her baby fall into the cistern and, with a scream, she jumped in after it. She kept the child above water until help arrived.

New Pastor Preaches an Eloquent Sermon

Rev. Wein Will be Formally Installed at English Lutheran Church Next Sunday Morning

Rev. Louis Wein, of Doyleston, who will be formally installed as pastor of St. Paul's Lutheran church in English township and Emmanuel's Lutheran church in Coshocton next Sunday morning and evening by Rev. Meekling, of Lancaster, delivered a sermon which teemed with human interest at Emmanuel's Lutheran church Sunday morning.

He chose for his text the eighth chapter of the gospel according to St. John, from the third to the eleventh verse, which tells about the

scribes and Pharisees who brought into the temple on the Mount of Olives a woman taken in adultery and said to Jesus "Now Moses in the law commanded us that such should be stoned but what sayest thou?" to which Jesus replied with those memorable words "He that is without sin among you, let him first cast a stone at her."

Rev. Wein, who is evidently a deep student of the bible, first drew a word picture of the scene portrayed in the text and then cast new light upon the conditions which surrounded the savior at that time. He gave an insight into the Jewish and Roman laws which had a bearing upon the circumstances surrounding the scenes. The scribes and Pharisees were not paragons of virtue themselves and when Jesus said "he that is without sin among you" they were convicted by their own consciences and went out one by one leaving Jesus alone with the woman.

In eloquent language Rev. Wein brought out the real meaning in the closing verses of the passage of scripture "Woman, where are those thine accusers? hath no man condemned thee?" She said, "No man, Lord." And Jesus said unto her, neither do I condemn thee: Go and sin no more."

Rev. and Mrs. Wein have moved into the Howard Robinson property on North Eighth street and are now firmly located in their new field. Rev. Wein has already made a most excellent impression in Coshocton and it is believed that much good will result from his stay here.

Otis Riggs a Dixie Dan

Otis Riggs who has been playing in the orchestra at Buckeye Lake for several weeks, returned home Saturday and left on No. 25 Sunday night for Jamestown to join John W. Vogel's minstrels. He will play the slide trombone in the orchestra and sing baritone in the chorus. He will probably be with the minstrel show the entire season which lasts forty weeks.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 I believe it would have saved me a hundred dollar doctor's bill."

Sold by C. E. Anderson's Drug and Book Store, Coshocton, and C. M. Ferguson, Roscoe.

Preacher Makes Hit With Men

The people up in West Lafayette have a theory that it is wise to be just as comfortable as possible and in accordance with that idea, Rev. Black, of the M. P. church invited the men of his congregation to take off their coats during the Sunday morning service. A number of the men did so and Mr. Black himself, preached in his "shirt sleeves." The innovation was a very welcome one.

Delicious Banana Cream.

This recipe is highly recommended by one of our correspondents; try it for dessert tomorrow.

Peel five large bananas, rub smooth with five teaspoonsful of sugar. Add one teaspoon sweet cream beaten to a stiff froth, then add one 10c. package of Lemon JELL-O dissolved in 1-2 teacups boiling water. Pour into mold and when cold garnish with whipped cream, or any good pudding sauce. JELL-O is sold by all Grocers at 10c per package.

Special Sundry Rates.

Beginning Saturday May 23 and Sunday May 24 and continuing each Saturday and Sunday until further notice the Wheeling and Lake Erie will sell round trip tickets to Cleveland for \$1.25. Tickets sold Saturday morning will be good until Sunday evening. Tickets sold Sunday morning will only be good until Sunday evening.

Aged Lady Suffers Fall

Mrs. Nancy Foster, of Roscoe is suffering with a badly bruised hip the result of an accident which she met with Saturday afternoon. She was in her room alone when she was suddenly taken with a dizzy spell and fell to the floor, bruising, but not breaking her hip in the fall. Her advanced age makes the injury more serious than it would be otherwise.

Mrs. Foster makes her home with her daughter Mrs. Eliza Darr.

Rev. Bridge Coming Here

Rev. William E. Bridge, of Columbus has accepted the call extended him by the local Baptist church and will preach here next Sunday. The first of August he will move his family here and will take permanent charge of the work.

It will be remembered that a call was extended to Mr. Bridge shortly after Mr. Eddy resigned the pastorate but at that time he was unable to accept. He has been doing a great work in Columbus and the church here feels that it is fortunate to secure his services.

Zanesville Man Preached.

Rev. Kamphausen of Zanesville preached twice at the German Lutheran church yesterday; in German in the afternoon and in English in the evening.

S.S.S. HEALS SORES AND ULCERS

Sores and Ulcers are indications of impure blood. They show that the circulation has become infected with germs and poisons, which are being constantly discharged into the open place to irritate the delicate nerves, tissues and surrounding flesh and keep the sore in a state of inflammation and disease. Whether these impurities in the blood are the result of some debilitating sickness, an old taint from a former illness, or whether it is hereditary bad blood, there is but one way to cure sores and ulcers, and that is to purify the blood. Washes, salves, lotions, etc., are often bene- ficial because of their cleansing, antiseptic effects, but nothing applied to the surface can reach the blood, where the real cause is, and therefore cannot cure. S. S. S. is the remedy for sores and ulcers of every kind. It gets down to the very bottom of S. S. S. changes the quality of the circulation, so that instead of feeding the diseased parts with impurities, it nourishes and heals the irritated, inflamed flesh and causes the ulcer to fill in with healthy tissue by supplying it with pure, rich blood. Book on Sores and Ulcers and any medical advice desired sent free to all who write.

Neuralgia Pains

Are the result of an abnormal condition of the more prominent nerve branches, caused by congestion, irritation, or disease. If you want to relieve the pain try Dr. Miles Anti-Pain Pills. They often relieve when everything else fails. They leave no disagreeable after-effects. Just a pleasurable sense of relief. Try them.

"I have neuralgia headache right over my eyes, and I am really afraid that my eyes will burst. I also have neuralgia pain around my heart. I have been taking Dr. Miles' Anti-Pain Pills recently and find they relieve these troubles quickly. I seldom find it necessary to take more than two tablets for complete relief."

MRS. KATHLEEN BARTON
1117 Valley St., Carthage, Mo.

"I have awful spells of neuralgia, and have doctored a great deal without getting much benefit. For the last two years I have been taking Dr. Miles' Anti-Pain Pills and they always relieve me. I have been so bad with neuralgia that I sometimes thought I would go crazy. Sometimes it is necessary to take two of them, but never more and they are sure to relieve me."

MRS. FERRIER

ENGLISH ATHLETES DREAD AMERICANS

London Filled With Olympic Game Contestants.

London, July 13.—The Olympic games opened today with a parade in which the 2,000 athletes assembled here took part and which was viewed by the king. Competitors from the four corners of the globe constitute a small army in themselves, almost every country, following the example of America and Great Britain, having entered in the various events the full quota of men allowed by the rules, in most cases a round dozen. As there are twenty-five events on the program, the number of athletes taking part will total nearly 2,000, many of the men, of course, representing their respective countries in more than one event.

The preparations are on a gigantic scale. The stadium will seat 65,000 spectators, and there is room for 23,000 more, but no seats. By making use of a strip surrounding the stadium standing room also can be found for 50,000 additional, but this probably will not be necessary. The grounds within the stadium proper provide three athletic tracks, a swimming bath and dressing rooms for 2,000 competitors. The turf track for hurdle racing, the clunder path for running and the concrete bank for cycling have been tested and pronounced the best in England. Several records have already been broken on these tracks, and it may be confidently expected that more will go when the chosen athletes of the world meet there. The American team is attracting by far the greatest attention. It is realized that it is the Americans that the Englishmen have to fear more than any other team.

As was to be expected, some little friction has arisen over the rules governing some of the contests. The Americans have contended that they have to be permitted the privilege of digging a hole for the pole in the vaulting competition, but the Amateur Athletic association, the rules of which will govern the meeting, has decided against this. To be compelled at the last moment to adopt a new method of vaulting probably will go hard against Gilbert, the American vaulter, who holds the world's championship, and who recently made a vault of 13 feet in practice. The association also decided against the American protest in the question of heat drawings. The American committee pointed out that by the method to be adopted it might happen that all the athletes of one country would be drawn for the same heat, which would manifestly be unfair, but the association held that the possibility of this was so remote that it need not be taken into consideration. Slips, therefore, bearing the names of the various contestants, will be drawn from a hat with the object of selecting the competitors in each heat. The sports are to last a fortnight and will occupy the morning and afternoon of each day.

BEST GAME SEEN HERE IN YEARS

Lone Tally Made in Last Half of Extra Inning---Duve's Good Work

Pity and joy were mingled in the ear-splitting shout that rent the air at Riverside park at the close of the tenth inning Saturday afternoon—pity for Walter Blind, the tall and sunburned pitcher from Gnadenhutzen, who after holding the fast Coshocton team to a 0 to 0 game for nine long innings made a fatal error when he juggled a short grounder from Truman Powelson's bat allowing Tom Duffy to cross the pan with the one lonely tally of the whole game while Powelson sped to first base in safety—and joy for the victorious termination of the greatest game of ball ever played in Coshocton. Gnadenhutzen, the pride of the Tuscarawas valley and the acknowledged amateur leader in this neck of the woods, had been kept from scoring a single run by the invincible pitching of one "Bill" Duve and the matchless machine at his back.

Evenly Matched
Everybody knew that Gnadenhutzen was going to be a hard nut to crack. They have been mowing down everything that came their way for so long that it began to look as though the word defeat had been dropped from their vocabulary. Even after they had been at the bat ten times and had failed to score they did not seem to have any idea of losing. Blind seemed to have more speed in the tenth than in the first but Tish and Duffy finally got a line on his shoots and blinged two on the nose in succession. With two men out Powelson stepped up. He has a good eye and those who have watched his work looked for something to drop. He hit the ball on top and it went spinning between the pitcher and first base. The ball seemed to run up Blind's wrist as he ran forward to get it and then bounced out in front of him. He forced a smile as he saw Duffy cross the home plate with Gosselin right after him. Of course the second run didn't count.

Enthusiasm High.
The crowd was large but it would have been much larger if it had been known that such a wonderful game was going to be played. The enthusiasm in the tenth inning was equal to that displayed during the June race meet when Hal Russell topped a half in 1:03.

Steady as a Clock.
Dive never lost control for an instant and kept shooting the ball with calmness. The fact that the score was entirely too close for comfort did not seem to worry him in the least. He and "Jimmy" Stewart worked like a pair of old leaguers and inspired confidence in one another. Tish, Thompson and Duffy in

The first political watch fob made its appearance in Coshocton Monday morning when Wilcoxon the jeweler came out with an exceedingly neat hinc in a leather suede strap with "Taft and Sherman" on oxidized silver.

Bad Symptoms.

The woman who has periodical headaches, backache, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pelvic catarrh, is suffering from weakness and derangements that should have early attention. Not all of above symptoms are likely to be present in any case at one time.

Neglected or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally.

No medicine extant has such a long and unimpaired record of cures in such cases as Dr. Pierce's Favorite Prescription. No medicine has such a strong professional endorsement of each of its ingredients—worth more than any number of ordinary non-professional testimonials. The very best ingredients known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle wrapper and attested under oath. In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (1000 pages) is sent free on receipt of 21 one-cent stamps for paper covered, or 31 stamps for cloth-bound copy. Address as above.

the outfield gobbled up everything that came their way while Wilcoxon, Powelson and Gress took good care of the infield. "Doc" Soudles, who is a hard hitter, went in in the tenth inning.

A Square Deal.
The umpiring of Ward Slaughter cannot be found fault with. He gave the Gnaden team a good square deal. There were only two close decisions on the base-running and so far as anyone could see he tried to make his decisions without favoring either side.

Gnadenhutzen went to bat first. Gray got on second base but Gosselin made a whirlwind play and snapped up what looked like a sure one and retired the side. Powelson got on third base in the third inning but "died" there. After that several men reached third but the pitchers had a habit of tightening up at these junctures and so the game went on and on while "Bill" Lorenz continued to draw artistic goose eggs on the score board. In the fifth inning Duffy made a long run and nipped a fly. Gress made a one-handed catch in the same inning that caused the fans to yell.

The Bases Full
By the time eighteen ciphers had been chalked up, the sporting blood was aroused in earnest and the crowd began to surge a little nearer the side line. The first up meant victory. Gnaden got the bases full in the tenth but Duve only smiled that wry smile of his and soaked the ball into Stewart's glove. The side was retired and Greater Coshocton stock went up way above par. Blind uncorked some more speed, but Tish and Duffy solved his enigmas and landed the two winning hits. Powelson's gentle tap ended the agony and rent the Tuscarawas wonders home disconsolate. The score:

Coshocton	R	H	P	O	A	E
Tish	0	1	2	1	0

LIT ON HEAD OFF HAY LOAD

John Bixler, while haying Saturday afternoon at the home of his father, James Bixler, who resides in the northern part of Monroe township, fell from a load of hay to the barn floor, alighting on his head and rendering him unconscious for quite a while. Dr. Baker was called and he was soon revived and is sufficiently improved today to be taken to his own home near Spring Mountain.

Mercury Hit 114 in Shade

Do you think it was hot Sunday? Well listen to this. Ed. LeRettley of North Fourth street hung an accurate thermometer on the back end of his horse and the mercury registered 114 degrees in the sun. After the hard rain the temperature dropped to 68. No wonder we all felt so much cooler.

ICE

If you are not using ice, it may be because you think it is too expensive, but stop and think a moment, and see if that is the reason. You probably don't know that you can have delivered to your house BY SOBER MEN, 15 lbs of ice daily for 5c per day, 30 lbs for 10c per day, 45 lbs for 15c per day, 60 lbs. for 20c per day, 85 lbs. for 30c per day, or 100 lbs. for 35c per day. The price of ice is low, the service is good, and the quality of the ice is of the finest. FOR IT IS MADE OF PURE DISTILLED WATER. Surely, there is nothing you can buy that will do so much good, and costs so little as ice.

Therefore, it must be economy to use ice. Give it a trial, and we are sure you will say every word of this is true. We are anxious to increase the consumption of ice in Coshocton, for we believe it is to your interest and welfare to use some ice through the hot months. Remember that prompt attention will be given to all orders.

His Horse Was Stolen

Locking the stable after the horse is stolen is about as same an act as trying to grow hair after the head is bald.

If the hair root be absolutely dead, permanent baldness will be your lot, and you might as well cheer up and tell your friends that it isn't so bad after all, as to bemoan your fate.

But is your hair is just beginning to thin out; if it is thought occurs to you that in a year or two you can take your seat in the bald-headed row without being asked for accendials, then you've got a chance, and a great big chance.

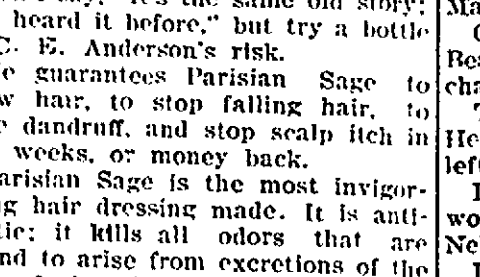

If your hair is falling out or thinning out, don't wait another day; go to C. E. Anderson, the druggist, and get a bottle of Parisian Sage, the most efficient hair grower the world has ever known.

Don't say, "It's the same old story; I've heard it before," but try a bottle of C. E. Anderson's risk.

He guarantees Parisian Sage to grow hair, to stop falling hair, to cure dandruff, and stop scalp itch in two weeks, or money back.

Parisian Sage is the most invigorating hair dressing made. It is antiseptic; it kills all odors that are bound to arise from excretions of the scalp during the hot months, and everyone knows that sage is very cooling to the scalp.

Parisian Sage is a prime favorite with discriminating ladies, because it makes the hair lustrous and luxuriant. Get a large bottle from C. E. Anderson for only 50 cents, or by express, all charges prepaid, from the American makers, Glouxx Mfg. Co., Buffalo, N. Y.

BUSY ON PLANS OF TWO BRIDGES

Surveyor Bock and Assistant Liggett are working on the plans for the Main street bridge. The steel plans for the Twelfth street structure have been completed. Mr. Bock is making the plans for the arches for the Main street bridge and Mr. Liggett is drawing the plans for the Main street masonry. As soon as the plans are completed and approved by the commissioners bids will be advertised for.

Over Thirty Five Years.

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment and has for thirty five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of every ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by C. E. Anderson's Drug and Book Store, Coshocton, and C. M. Ferguson, Roscoe.

Woman's Cell Needed at Prison

The board of county visitors will recommend that a cell for women be established at the city prison. They visited the city prison Saturday evening and found everything in splendid order and getting better, as improvements are being made. They also visited the jail but as Sheriff Browning was not there they made no inspection.

Regarding the Canal Dover Home, one of the board said: "We made a most thorough examination and investigation of conditions there and got to the bottom of things. There are nine Coshocton children there at present and we called them before us and quizzed them carefully. We are satisfied that that tack episode of last spring was an unusual affair and never would have happened had Supt. and Mrs. Nugent been there. The children are satisfied and seemed to be contented and happy and the management of the home instead of wanting to get rid of the children of other counties as they did last spring now want to retain all they have and to get as many more as possible. I think we shall recommend that Coshocton county children be kept there."

Brother of T. J. Hanley Dead

Joseph P. Hanley, brother of T. J. Hanley of this city, died at his home in Toledo Sunday evening after a lingering illness of diabetes. He was one of the prominent lawyers of that city and stood high in the community. He had been ill for some time but his condition was not thought critical till Saturday. Friday evening he expressed so strong a desire to see his brother Thomas that the latter left here Saturday morning and arrived in time to see his brother alive.

The funeral will be held Wednesday and the Hanley mill will be closed during the funeral hours. Mrs. Hanley will leave tomorrow to attend the obsequies.

Convention at Wilson's Chapel

The Sunday School convention was largely attended at Wilson's chapel, Sunday and Sunday night and an excellent program was rendered. Prof. M. J. Almack of West Bedford attended the convention.

Misses Ethel Buxton and Belvin Barnes Messrs. Walter Harrah, Everett Berry and Lloyd Bailey and Mr. and Mrs. Milton Neldon spent Sunday with Miss Pearl Ralston.

Miss Nelle Underwood and Louis Cullison spent Sunday with Miss Mae Giffen.

Gretta Shannon of Coshocton and Bess Underwood were at Wilson's chapel Sunday.

The stork visited at the home of Herbert Berry last Sunday night and left a baby girl.

Lloyd Hagans and Fred Underwood spent Saturday evening at Mr. Neldon's.

Esther Given of Mohawk and Ruth Parish of Coshocton were at Wilson's chapel Sunday.
